Summer 2015

The summer opening regime for all buildings of UM-Randwyck will apply from Friday evening July 10 until August 23. The opening hours in weekdays will be from 8 am until 6 pm.

In weekends the buildings of UM Randwyck are closed.

Cleaning labs

Laboratory cleaning procedures have been discussed with EW. As a result, work instructions for cleaning personal are updated. We urge laboratory personal to take responsibility in maintenance of their laboratories.

If there are any questions please contact J. Dolhain, CRISP Facilities.

Reconstructions

Uns50 fourth floor and Uns50 fifth floor

The laboratories of General Surgery and Internal Medicine at the fifth floor will be reconstructed starting July 1 till September 1. Following this reconstruction, the offices will be updated as well.

A construction elevator will be placed on the forecourt South Uns50, as well as containers for materials and waste.

Lounges Uns40

At the ground floor Uns40 two lounges will be realized this summer. They will be ready at the start of next academic year.

Way-finding

This summer the way-finding Uns40 and Uns60 will be updated. Way finding Uns50 will be updated after the summer.

Power interruption Uns50 June 20 2015

As a result of various reconstructions in this building, it is necessary to perform maintenance on the current power supplies in Uns50. As a consequence, there will be a power interruption on Saturday June 20. This will affect the second floor (zone H), third floor (zone F-G) from 06.00 am – 08.00 am. At the fifth floor (zone G) from 06.00 am – 09.00 am. To make sure the process passes off safely and smoothly, we will ask you to turn off all the equipment in advance.

During the power interruptions, the mentioned zones are not accessible.

Update Maastrichtzaal and Akenzaal Uns40

From July 4 – August 21 the lecture halls 'Akenzaal' and 'Maastrichtzaal' will be renovated. These lecture halls and their surrounding areas will not be available for any purposes, including educational activities during this period. The renovation includes updates of furniture, lights, media devices, carpeting and decoration.
